## Columbia Fall Classic (Boys Weekend)

The Columbia Fall Classic is an established end-of season event for any premier and classic teams looking to round off their season. Both weekends are open to U9—U19 teams. Application deadline is October 25, 2013. New for the 2013-2014 season, the Soccer Association of Columbia (SAC) is requesting that all teams pay by either credit card or by eCheck (electronic check). Both methods of payment do NOT have any additional charges added to the application fees, in addition, credit cards and eChecks will not be processed until the team is accepted into the event. SAC is able to accept both Visa and Master Cards. The eCheck requires information found off the check to be entered into the application – the type of account (business or personal), the routing number and checking account number found on the bottom of a paper check. All payment information is secure and will list on statements as the Soccer Assn of Columbia as the merchant when processed. If you have any additional questions about payments, please contact Mandy Libber (mbishop@elitetournaments.com) or Rory Molleda (rmolleda@elitetournaments.com). Additional questions related to the event please email Dominic Popolizio at dominic@elitetournaments.com
